

Dear Students,

St. Xavier's College is committed to maintaining a minimum attendance of 75% for eligibility in the end-semester examinations. Lists of students who fall short of this minimum requirement are available (Aided and Self-Financed). Students not meeting the 75% attendance threshold are at risk of being detained from exams.

However, the College management has decided to grant a final opportunity for students to meet the requirement by completing substitute hours in the SXCA library. The deadline to fulfil this requirement is November 13, 2024, by 5 PM.

Please take this last chance seriously and ensure you meet the attendance criteria by the specified date and time.

Best regards,  
St. Xavier's College Management
